**MEET THE COACH**

Terri Simonetti graduated from *Ottawa Hills High School* in 1989 and earned a full scholarship to play field hockey for Boston University. In the four years at B.U., they consistently finished in the top twelve in the country and earned two NCAA bids. They were also conference champions in 1989 and 1991. Her senior year she became an All-American, First Team All-Conference, First Team All-Region All-American and the Most Valuable Player of her Team.

After college, Terri coached at Ottawa Hills for two years and helped them to the Final Four of the OHSAA Tournament in 1994 and 1995. She became head field hockey coach for Grandview Heights in 1996 and enjoyed building the program from the ground up! For six summers she coached summer camps for Northeastern University, University of Connecticut, University of Maine, and Northwestern University. Terri coached for two years in the United States National Futures Program and began a winter & summer league for all Central Ohio players in 1999.

Terri was hired to coach the Thomas Worthington Field Hockey Team in 1999, and in 2010 she was named the NFHS National Coach of the Year. She was also the NFCA West Region Coach of the Year in 2010 and 2007, and in 2002 and 2011 she was selected as the Central Ohio Coach of the Year.

The TWFH team won the 2007 and 2011 State Championship and in 2010 were the State Runner-Up. During the 2002, 2005, 2007, 2008, 2010 and 2011 seasons, the TWFH team was District Champions and made the Ohio State Final Four Tournament. The team has also been the Central Ohio League Champions five times.

Eleven players have signed Division I Scholarships with Stanford University (Madison Bell and Anna Simmons), University of North Carolina (Kelsey Brinkman), University of Louisville (Simone Attles), Northwestern University (Katie Charles), Indiana University (Erin Isler), Ohio University (Kristi Gegas and Lauren Cassady), Sam Kuehnl (Central Michigan), Cami Mullins (Robert Morris) and Sophie Tikson (Appalachian State).

Terri and her team are anxious to work with the different players and help them become successful at their game.

## WEED WHACKER GOALS
